FESTIVAL RULES AND REGULATIONS:

1. ABOUT THE FESTIVAL

Master dance festival LUKEC OPEN is an open dance festival, where dancers from different clubs and schools can participate, regardless of their affiliation with national or international dance associations. Everybody is welcome at LUKEC OPEN dance festival.

MINI:	6 – 8 years
CHILDREN:	9 – 12 years
JUNIOR:	13– 16 years
ADULT:	17 – 30 years
SENIOR:	31+ years

A dancer's age division is determined by his or her year of birth as it falls within the calendar year of the competition.

Year of birth and age division in the year 2021:

YEAR OF BIRTH	AGE	AGE DIVISION
2017 - 2016	4 - 5	BABY

are no more than two years older than the highest age limit of Age Division in which they are dancing. Specific exemptions are allowed in agreement with the organizer.

Productions are groups where dancers of all Age Divisions can dance without limitations.

4. REGISTRATION:

Registration to our festival is possible through **FestIS system**. When creating your FestIS account, you must first provide information about your club or dance school. Your club or dance school pays the entry fees, so be careful to enter the correct billing information. In the next step you have to add information about your dancers - their name, surname, gender and birth dates. Only when you have added all your dancers, you can choose our festival and continue with registration. The last step of registration is to create your routines. You need to provide information about the performance title, category, dance style, age division, choreographer's and dancers' names, track duration, and then upload your music. The system allows you to save unfinished routines, even without uploaded music, so you can easily edit your routines later. The last day to create routines is the festival's deadline. When you finish creating all routines and upload all your music, send your registration by clicking on - FINISH REGISTRATION - ENROLL! After the registration is completed, you can download your pro forma invoice for entry fee payment. If you have any trouble with submitting your registration, please contact FestIS administrator via email - festis.dance@gmail.com or phone **+386 70 708 808!**

Each club/school can register one or more routines in the same or in different categories. Individual dancer can perform in more than one routine in the same category. The club/school submits music online via Festis system together with his entry. It is advised that club/school representatives keep a copy of the music on USB key or CD, in case of any potential trouble with the submitted music.

9. JUDGES AND JUDGING

The judging panel is comprised of renowned dance experts (judges, coaches, choreographers), both national and international, picked based on their credentials by the Organizer. Appointed judges are experts from different dance genres.

Each category is judged by 5 judges, specialised for the dance discipline they have been delegated to judge.

Judges evaluate each routine using points from 1 - worst to 10 - best in the following parameters:

- Technique
- Music and rhythm
- Interpretation
- Choreography
- Overall impression

The final result is the arithmetic mean of the scores that have been assigned by all the judges, where the best and worst scores for each evaluated parameter have been discarded.

The winner in each category is the routine that has been evaluated with the highest number of points. If two or more routines reach the same number of points, the winner is the routine that has the highest number of points in the technique parameter. If it is not possible to determine the winner even after that, the deciding factor becomes the highest number of points in parameter music and rhythm, then interpretation, choreography and lastly also overall impression. If after the mentioned order of parameters it is still not possible to determine a winner, best routines share the first place.

10. AWARDS

Each dancer participating in the festival receives a medal and diploma in accordance with the acquired number of points for their performance. The diplomas are bronze, silver and gold and are distributed based on a percentage of individual performance's acquired points.
